SPEAKER BROMM:      Senator Beutler, you are recognized to open on your amendment.

SENATOR BEUTLER:      Senator Bromm, members of the Legislature, Senator Connealy and I were discussing the last paragraph in the bill which limited the kinds of suggestions that an employee could make, and there was one vague phrase among the various phrases that said concerns the subject matter of laws or rules and regulation, and I think Senator Connealy has agreed that that is not necessary and is really too vague to have a lot of explicit meaning, and so my suggestion was just to eliminate that so that the law was crystal clear. Thank you.
